Three stages of entertainment, a wrestling ring, “The Bally”- a boutique Circus tent and a plethora of stalls, sideshows and activities, and best of all, it’s all absolutely FREE!!!!

PERFORMANCES BY: Warehouse Circus, Milo the Clown, Insane Champion Wrestling, Los Capitanos, Drum Assult, The Fuelers, Atlantis Awaits, Beth n’ Ben, Rafe Morris Kulture Break, Servants of Sound, Rubycon, Astrochem, The Great Zamboni,

Spellbound Bellydance, and more... The World History of Razzle Dazzle...

Time itself will be a contortionist as Belconnen takes on *The World History of Razzle Dazzle* in a playful variety show that celebrates the history of popular performance. Popular performance styles have developed in all cultures and their common thread is that they are by the people for the people. Master of Ceremonies, Adam Hadley will present this array of dazzling, daring delights. Funding from Festivals Australia has enabled professional artists to work with groups and individuals from the community who may not otherwise have had the opportunity to participate. Jaws will drop; sequins will shine; cream pies will fly!

Future Footprints Sideshow...

The Future Footprints Sideshow is a carnival of planet-saving products, services and ideas, and a dazzling display of death-defying environmental groups for you to join, volunteer with or support. Arrive in style on a guided bike ride along Ginninderra Creek, with scenic stops to look and learn about Canberra's waterways. Every festival-goer who arrives by bicycle or bus will also go into the Future Footprint raffle for a range of eco-chic prizes. You can go in the draw for more prizes, by collecting stamps from Future Footprints stalls that match your five toe-prints: food, water, energy, transport and society.

Canberra Times garden guru, Cedric Bryant will give a demonstration of waterwise gardening. Hear celebrated Canberra poet and environmentalist Mark O'Connor. The popular Great Debate will see environmentalists and local personalities battle it out with words and wit. Beware the roaming giant vegetables, and don't miss eco-speed dating, where you can find the environmental group that makes your green heart throb. Soothe your ears inside Kimmo Vennon's sound installation Waterwheel. Join Canberra Youth Theatre's ragtag army, Impro Militia, on a perilous journey to rescue the planet. All this and much much more, at the Future Footprints Sideshow.

the 1800s.

Artists' Village...

The Artists' Village, presented by Belconnen Arts Centre is a fabulous and fascinating collection of arts, crafts and wares from Belconnen region artisans. See and buy quirky jewellery; glass and silver works; furnishing and fashion accessories; wheel thrown ceramics; contemporary Aboriginal glass, silks and textiles; hand sculptured birds and much more! Artists in attendance include Linda Davy, Anne Greiner, Indigenous Womens Group, Barb McGann, Jenni Kemarre Martiniello, Carole Osmotherly, Caroline Reid, Tamara Russell, Esmee Smith, and artists from BEAN and Strathnairn Arts Association.
